I have attached a corrected BPR w/ the error fix we caught and new budget request items for FY'19

Also, I have a question about the \$10M of over budgeted costs in CFH in the FY'18 total number that we need to discuss

Brian,

Attached is the original BPR for 2019. It include the 30 million for millage under the "Revolving" section.

When the amendment was created and the 30 million was moved to "Local" section, the amount was not reduced from the "Revolving" section.

Thanks
